

## Survey-Overview

Hi, everyone!

Thank you for your interest in our survey.

You will be asked to look at **two color palettes** and **choose one in the most nature order**.

### Task: Single Palette Comparison (51 questions, ~5 mins)

- For each question, **two palettes** will be displayed.
- All palettes consist of **same color combination**, but the colors are **sorted in different ways**.
- Choose one palette in the **most natural order** of colors, which **gradually changes** along the palette.

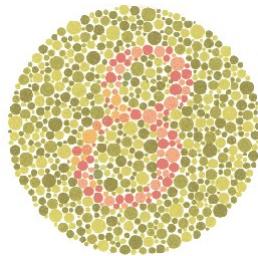

- There is **no time limit** for this task, so feel free to take as long as you want.

## Notes

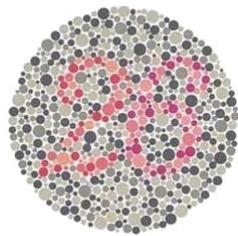

- People with disabilities in distinguishing colors, such as **color blindness and color weakness**, are **not allowed** to participate in this survey. There is a simple check for color deficiency before starting the survey.
- Please set aside some **uninterrupted time** to take this survey. We will appreciate you taking the survey **without any distractions**.
- In order to ensure that you are devoting your full attention to the survey, there are **attention check questions at randomly selected points** in the survey. If you answer these questions incorrectly, **you will not be provided** the competition code and not paid for the survey.
